## Expanding

About 25 years ago we met Sally. She visited a church where we had shared about our ministry and she decided to volunteer. Her creativity, her enthusiasm, her love of children and the love of Jesus oozed out of her. That was the beginning of our friendship and partnership in ministry that has lasted all these years.

England is home for Sally. She was born and lived there until her early twenties. Her husband, John, on the other hand was born and raised in the Los Angeles area. Their testimonies can be read on our website: [www.lifeisfullofchoices.org](http://www.lifeisfullofchoices.org). You can read John's testimony on [www.addictschoices.com](http://www.addictschoices.com) where you can buy his book.

For the past three years Sally and John have been raising support and since last August they have been ministering to the addicted and homeless in downtown London, England.

I am sharing this with you to help you understand that what John and I do is not limited to reaching out to those without hope: Children, youth, and those who work with them, we are also reaching out to the deeply broken and lost. John and Sally are an important part of doing that through Life Is Full Of Choices in Europe.

We are excited to watch what God will be doing through Life Is Full Of Choices in 2015. He seems to be continuing to expand our influence and reach into individual and family lives in areas we never expected. We praise and honor God for the privilege of serving and watching Him transform lives.

Praise God for your continued prayers and support for Life Is Full Of Choices. Because of you we are able to continue to reach the hopeless, broken and lost for Jesus all over the world.

Your heart and hands for Jesus,

### **Answers To Prayer**

This Christmas season has been so fun being with our son Brian.

We have gone to Church twice with him. It is go good to hear other people say nice things about him that we have felt all his life!

Thank you for praying for Brian.

We have been blessed with safe travel and good weather. We give your prayers the credit.

### **Prayer Requests**

We will be making new contacts in the next two weeks while here in the Northwest. Pray that those connections would be used by God to bring glory to His name.

Pray also that because of those contacts people who would never go into a church would come to a seminar and hear about God.

Pray that people who normally sit in Church would come. And that hearing about a God who wants to have an intimate relationship with them would change their life.

Pray that as we look at the New Year we would see our plans through His eyes and would evaluate them based on His desires not on what we believe to be success!
