Time Flies

Is it really November? Already?

Time has flown by since we left Los Angeles in mid-July for our trips to the Northwest and Texas.

For the most part our time on the road was filled with joy and delight. We watched God do His job in the hearts of individuals through the parenting seminars, prayer groups and us sharing about our support needs in services.

Here are some of the comments people chose to share with us about the parenting seminar:

- "I've attended a number of parenting seminars. This one was by far the best."
- "Very practical."
- "A great, practical guide to applying positive steps to help parents on multiple levels - spiritually, emotionally, and physically."

In Texas I (Sheryl) was able to share with a women's prayer group. I chose to share some specific ways to connect with the Lord. It was exciting to see women engaged with each other and practice the presence of the Lord. What a delight to see it happen with ten women at once.

Even though we have been sharing our support needs with people for 32 years, we were again "surprised" by what God did. He has so far provided ten new support team members. We are still in the process of follow up with many who are praying about their choice to becoming part of our support team.

It is good to be home and get back to our daily routine: Being connected with: The Lord, each other, you and those to whom God has called us to minister.

We appreciate YOU,

Sheryl
for John and Sheryl Emra

Answered Prayer

We are back from Texas. We had a great time and saw some wonderful results at the Churches in which we ministered.

Thank you for your prayers!

Prayer Requests

While in Texas we received word that the pastor of the Church we were to speak in was having triple bypass surgery.

He is doing well but will not be able to get back to work for 6 to 9 weeks.

Please pray for this time of recovery for Rev. Wayne and Nancy Flowers.

John and Sheryl will be honored at an alumni event at Seattle Pacific University January 26, 2013.

If you would like to attend this banquet please let us know and we will make sure you receive an invitation.

Take advantage of a special Christmas present for those whom you love.

Books in the Life Is Full Of Choices Series are now 20% off just for you who receive this letter.
