APPRECIATION

This year, Thanksgiving has become a special time to remember and appreciate all the Lord has done.

We remember the Lord's leading over the past 12 months. This time last year we had just returned from our epic trip to China: Eight seminars in three weeks.

The past 12 months have been filled with S.A.Y. Yes! Training for after-school programs in the Los Angeles area. We have been talking to churches about doing "Foundational Principles of Family Peace" Seminars, doing seminars in Texas and Arkansas. Then more trainings and seminars in the Los Angeles area and another trip here to Texas and Missouri.

Everywhere we went we found people who expressed their appreciation for the ministry we did: Individually or in a group.

Here are just a few notes of appreciation:

Thank you your trip to China. Your seminar at son's school give me much hope. You are gift from God! - Luang, China

This seminar is the perfect balance of discipline and affection. I can see the need and now understand why they are important. - Robert, Arkansas

Hope is so important. I came today without any - and am leaving filled with hope for the future. God Bless You! - Amy, California

Today I saw how my choices determine the qualities of my life. I am choosing to take control of my life by looking at my choices. - Christy, Texas

The Four Core Needs (affection, boundaries, consistency, discipline) are perfect for understanding my daughter now that she is a teen. The Three Cornerstones of Life Is Full Of Choices will help us direct her to a future of her choosing. Thank you for providing this information! - David, California

Most of all we appreciate the opportunity to do ministry. You make it all possible through your effective prayers and your generous giving. Thank you so much! May God bless you and keep you in the palm of His hands. May His face shine upon you and keep you safe.

In His grip,

Sheryl

Answered Prayer

The Seminar on October 25th went very well. We tried a new format and were rewarded with many positive remarks.

We are continuing to make contact with Churches and everywhere we go we are hearing about the need for the Church to communicate with families.

The time Sheryl has spent on the phone working one-on-one with ladies has gone well.

Praise the Lord for Seminars He has arranged in the coming months.

Prayer Requests

Please continue to pray for safety as we travel. The calendar just keeps filling up.

Pray for the individuals who have taken the Seminar. That they would be able to show to the people around them the peace that is beyond understanding.
