Thanksgiving

As Sheryl and I look back over the 38 years we have been missionaries we have come to the conclusion that there are two people we need to thank.

Number one is God. Without Him we would just be going through the motions. He has directed our path. The 32 states we have visited, foreign countries that include Mexico, Canada, Costa Rica, Honduras, El Salvador, Ghana, China and England all include people whose eternity was impacted by the message God provided.

The other person we need to thank is you!

Without your financial support all that we have accomplished would never have happened! And in addition to that, your prayer support has been fundamental to our success. Your prayers have made the difference in the lives of people. Juanita told us how "the concepts of Life Is Full Of Choices are so simple - but so powerful as I applied them to my life."

I was recently talking to someone about becoming a missionary. I said the first thing you need to do is raise up people who will be praying for you like you have done for us.

I went on to say the second thing to do is to raise financial support. We are so blessed by your faithfulness in giving!

Currently we are thankful for:

- The second S.A.Y. YES! Center that has opened in Dallas. This one is in the same Church as the first one that was started here but this one is focused on Spanish speaking kids.
- An increase in questions about "Growing Responsible Adults" Seminars from around the United States. Many in Dallas but some from other parts including Florida and Michigan.

As you sit around the dinner table this Thanksgiving it is good to remember all that God has given to you - but this year please remember that we are thankful for you and your part in our ministry!

In His grip,

John

Answered Prayer

Thank you for praying for the class we are leading.

We have been told that this class is meeting a need in peoples lives and that we are a gift from God!

Sheryl's health is doing better. Thank you for praying!

Prayer Requests

The class we are leading will be ending the middle of this month. I believe the next class will start in a different Church in January. Pray for us and the people who will attend.

Continue to pray for the people who have been affected by the devastating hurricanes and fires that have affected our country.

Continue to pray for the politicians and everyone in our country. That we would seek Gods answer to the issues that face our country.
