## An Emmanuel Experience

The end of March John and I traveled to the mid-west to attend a four-day seminar on Emmanuel (which means - *God with us*) Healing. While there we took a few extra days to visit a few supporters we haven't seen in a long time and one couple we have never met before.

Let me tell you about one aspect of the trip that I call an "Emmanuel Experience".

We spent 3 days with Arland and Ruth. They have been supporting us for over 20 years but we had never met. Their support came as a result of the excitement their daughter and son shared with them after being part of a mission's trip in the early 1990's with us in East Los Angeles.

After spending just a few hours with them, it felt like we had known them all our lives.

I can only describe those days as an "Emmanuel Experience".

The relationship we have with so many of you who support us financially and in prayer have begun in such a fashion: Strangers when we met but then we became steadfast friends. WOW!!

Each of you: Family, long-time friends, and newly met friends, have had an impact on our walk of faith over the years. Any spiritual impact in the lives of others is a direct result of your willingness to be led by Emmanuel in your own life. You are a huge part of the story when individuals come to know Jesus as their Lord and Savior.

**Your friendship and faithfulness means the world to us.** This verse is for you.

*"We always thank God for all you and pray for you constantly. As we pray to our God and Father about you, we think of your faithful work, your loving deeds, and the enduring hope you have because of our Lord Jesus Christ."*  
I Thessalonians 1:2-3

In His grip,

### Answered Prayer

Thank you for praying for our traveling in March and April. God gave us safety and productive times as we spoke in Churches and talked to people.

John and Sally are doing better. Continue to pray for God to guide their steps.

### Prayer Requests

Our son, Brian, is having some problems at work. Please pray that his work situation would be resolved for the glory of God.

## Extra Extra

**Life Is Full Of Choices: Cornerstones and Core Needs** will be released this summer.

Pray with us that God would use this book and the stories we tell to bring people to a place where they can hear the Gospel and make the choice to accept Him.

## Where Is Guyana

If you are like me, Guyana is a mystery. People have asked, so I thought this picture would help distinguish Guyana (South America) from Ghana (Africa).

While we are there May 17th through the 27th we will be involved in teaching Mission and Church Leadership the skills necessary to work with "at Risk Kids."

Thank you for your interest, your financial support and most of all your prayer support for this trip.
