Jacob

Looking at the title you might think we are talking about Jacob and Easau - but that is not the case. I would like to fill you in on the story of Life Is Full Of Choices and the plans that are being made to expand into Australia.

Jacob is my Nephew. He is married to Natalie and they have a little girl Charity (4 years old). They have been married for five years and Jacob, who is from the USA, has enjoyed their life in Australia, where Natalie is from.

Jacob and I have been talking for the past year about using our material and doing something in Australia.

Last month we talked on the phone and he expressed an interest in leading *Raising Responsible Adult Seminars* there. Then after leading them for a year or two he said then they could bring Sheryl and me over to do a follow up Seminar for those who were interested.

Sheryl and I have been looking for an opportunity like this for years.

We need people to take over for us in the years to come or Life Is Full Of Choices will die when we pass away.

I have re-written the power point presentation for the seminar and am sending that to Jacob with DVD's that show each session so he can get the idea of what to say at each power point slide.

It will be exciting to see how he takes our material and makes it his own - and then how he is able to spread it into the country and culture of Australia.

Pray for Jacob and Natalie as they take this information and share it with others.

In His grip,

for John and Sheryl Emra

Answered Prayer

Jacob's interest is a huge answer to prayer.

Prayer Requests

Sheryl and I have been struggling with what the Dr calls a low grade virus. She says it will just take time to recover.

We will be leaving Texas in May and traveling to Florida where we will be speaking at Churches and teaching two seminars at a camp.

We will be traveling two months.

Pray for our quick recovery, health and energy.

Continue to pray for the women who are being transformed by studying Joy.

I am praying for God to do a mighty work in the lives of the leadership of our country. It seems to me that ego and personal power are leading the way instead of a desire to solve important problems.

Please continue praying for the leadership of our country.

The Rest of the Story

Life Is Full Of Choices started in 2006 with the purpose of helping people to:

- Find power in knowing that their choices determine the qualities of their life.
- Live an incredible life through understanding the boundaries of their responsibility in the circumstances of life.
- Experience freedom from the bondage of past circumstances over which they had no control.

We do this so people will have the capacity to open their hearts to Jesus when they are presented the choice to accept Him. Even though they have heard the Good News, some broken people do not know that choice is available to them. They hear the words, but they never hear the message.

That was 13 years ago.

Along the way we have partnered with two other ministries and helped them through some difficult times - and have expanded into Great Britain where John and Sally Childress are working with people who have addictions.

So why am I telling you this?

Sheryl and I believed that if enough people would understand the truths presented by Life Is Full Of Choices, accept it and implement it into their lives, it could dramatically influence our culture.

We still believe it!

Life Is Full Of Choices will grow as we share what we have learned with people and those who "get it" share "it" with others.

As we have prayed for more people to hear our message Jacob and Natalie came to us with the same spirit as John and Sally came to us. Pray for Jacob and Natalie as they respond to God's leading in their lives.

You can have a part in building His kingdom by supporting our ministry.

Sheryl and I need your prayer support and your financial support. We are paying our bills right now - but we have no cushion for unexpected things that always seem to come up.

You can use the enclosed response card and envelope to make a donation to our ministry. Use the back of the response card to share with us any prayer requests you may have.

Thank you for the part you have in our ministry. You are appreciated!
