God Is Showing Off, Again

This year we chose to travel to the Northwest from mid July through September. We had been getting such good reviews about the Parenting Seminar based on our books that we were excited about being able to use them in the Northwest.

I started in March talking to Churches and in a few weeks had talked to a number of Churches who were interested, but only two had confirmed dates on our calendar. Eventually I gave up trying to create an efficient travel schedule and said to God, "You have to do it for us, I just can't seem to make it work out."

In the past month He has done a miraculous job.

From July 13th through September 23rd we will be traveling throughout Oregon and Washington leading Parenting Seminars on Saturdays and talking about Life Is Full Of Choices on Sundays.

Sheryl and I have seen this before. This is God doing what only God can do. We call it God, showing off.

Like some of you, in our everyday lives we are constantly learning how to take the next step in trusting God. He uses seemingly normal events and gives us the choice to trust Him and "show off" for us. It doesn't matter who we are or what we do, God wants us to trust Him more and more each day in all aspects of our lives.

Thank you for choosing to be a part of all we do with kids and families here in Los Angeles and beyond. Your presence beside us encourages us, uplifts us and strengthens us for the work ahead.

In His grip,

John

PS As you can see we have one open weekend left to fill. Mid-week services and Sunday evenings are all available. We will also be visiting people during the week in their homes. If you want to be on our schedule mail us, send us an e-mail or just give us a call.

Answered Prayer

We praise God for the schedule He has arranged for us this summer. Your prayers have been much appreciated.

One lady stood up in Church and testified how She had an opportunity to affect a friends family and had the words to use because she attended a parenting seminar. Praise God.

Prayer Requests

Continue to pray for Sheryl and her Leadership Training Course. The eight ladies are growing and testifying about their growth.

Pray for the 22 S.A.Y. Yes! Centers in Los Angeles as we continue to work through the paperwork to get permission from the organization who has the boats.

Pray for safety for all who are involved and a good learning environment as we see Gods handiwork on the ocean.
